Jack LONDON Cady
1313 #4 Temkin Ave
Madison WI 53705-1240

I am writing this letter to Jack Cady to state that given the evolving situation at his work place and in relation to current events with COVID-, both which can place additional stress on his mental health, it is important we reevaluate his care plan at our upcoming appointment on July 12, 2020.

Sincerely,

Shiri Raphaely, MD
